#	RESPONSES	DATE
1	Nothing	8/22/2019 11:45 AM
2	Take down the Christmas lights after Christmas sooner.	8/22/2019 11:40 AM
3	That we have a Hospital that is really going to be a Hospital for people to utilize. Other Hospital used to be very busy and progressive but now you may as well not even there, and we have not seen Doctors even if we are sick! I used to work at angel before HCA came and they are the reason and crazy ideas that i left. It will be hard to draw young people and elderly people to this community without a good hospital. The only one they are going to build is a joke and then in 10 years it probably will close.	8/22/2019 11:23 AM
4	closed door meetings	8/13/2019 12:43 PM
5	Franklin NEEDS a covered pool not operated by the Fitness center so people that can't afford the fitness center have a cheaper alternative. The high school could use it without having to pay close to \$7k for 3 months.	8/6/2019 9:53 AM
6	The bigotry and hatred of some.	8/6/2019 7:31 AM
7	Recycling should be available all over town and easier for the community	8/6/2019 6:28 AM
8	Improve Recycle centers	8/5/2019 11:58 AM
9	A few additional shopping options couldn't hurt...such as Target, Michaels, Belk or Chick-Fil-A.	8/5/2019 6:06 AM
10	ONE NIGHT EACH MONTH HAVE THE MERCHANTS OPEN LATE WITH STREET MUSICIANS AND ENTERTAINMENT IN THE SUMMER; SOME KIND OF WELCOME WAGON	8/4/2019 4:57 PM
11	More competitive grocery options	8/3/2019 2:33 PM
12	Most of the main streets are very tatty looking - East Main between Hotspot and Poindexter Tire, West Main between 441 and Ingles, Highland between Main and Bi Lo and all of Depot. Porter the whole way but especially when the old Stone House restaurant was. I'd like to see a large public park that could hold public performances (bands like Pickin on the square and outdoor plays) and places for picnics on the lawn with a water feature. Development of river front. Can you get Shaw lumber to move? More quality restaurants such as Caffé Rel and Root and Barrell. Can the town encourage and help business to move into and renovate older facilities. Can they encourage brewery's to have food if this is a regulatory issue.	8/2/2019 12:54 PM
13	More trees!	8/1/2019 5:27 PM
14	Municipal recycling pick-up (since you only asked for one)	7/31/2019 10:31 AM
15	Need more doctors and advanced medical facilities. Need stronger Verizon tower coverage. There is a Verizon store, but Verizon tower service is very poor. Really wish the locals liked seasonal visitors (feels like they do not like us here :-(). We spend a lot of money when staying here for the season, and we are respectful of driving speed, and the area's rules and regulations. :-) Wish we felt more welcome. ;-)	7/31/2019 6:46 AM
16	All the junk everywhere & the fact that there is no rules to make people clean up their properties, businesses, etc. I grew up in Franklin & was always ashamed of all the roadside ugly sights when coming in on 441.	7/30/2019 7:34 AM
17	For all the road construction to be finished.	7/29/2019 11:23 AM
18	Sign ordinance! No off premise signage should be allowed in the town or county. The town and county need to work together to clean up our road ways so locals and visitors don't see junky signs along our road ways. It's very simple but will make an enormous difference.	7/29/2019 9:53 AM
19	I'd like to see better recycling/green energy efforts in the county in general. Everything else seems to already be improving pretty well.	7/29/2019 8:50 AM
20	It's reluctance to change.	7/29/2019 7:38 AM

21	Improve the looks of East Franklin. See the attached suggestions.	7/29/2019 7:25 AM
22	More industry and parking space.	7/29/2019 7:10 AM
23	The lack of parking.	7/29/2019 7:01 AM
24	More areas of enhanced nature.	7/29/2019 6:58 AM
25	Make walking in downtown and nearby, including the Greenway, more pedestrian friendly.	7/29/2019 6:56 AM
26	Safer pedestrian and bicycle traffic lanes.	7/29/2019 6:46 AM
27	Stop allowing tractor trailers to use 64E to Highlands	7/28/2019 8:42 PM
28	Better wages,lower rent more jobs	7/28/2019 8:07 PM
29	University / College	7/28/2019 7:52 PM
30	Clean up the little Tennessee river and make it the focal point and Make downtown more inviting. It is closely surrounded by used car dealers, auto repair shops and empty storefronts or empty lots.	7/28/2019 7:05 AM
31	I would like the sides of the roads to be better maintained - less trash and the vegetation maintained	7/27/2019 3:55 PM
32	I think it would add to the delight that is Franklin if Palmer Street were dressed up and integrated more into the downtown life.	7/27/2019 3:54 PM
33	More trees around town. More walking areas around the area.	7/27/2019 7:58 AM
34	The noise level of places like Lazy Hiker, loud "music" coming from vehicles, loud vehicle engines moving at high speeds.	7/27/2019 6:17 AM
35	Making downtown vibrant in the evenings. Why does everything shutdown by 5 or 6pm??? Would love to visit the shops after eating out at least on Friday and Saturday evenings! Neighboring towns like Waynesville are very vibrant in the evenings.	7/27/2019 4:04 AM
36	minimal ordinances in the county so that some people can't have the equivalent of trash and auto dumps on their land	7/26/2019 5:25 PM
37	Better restaurants not fast food joints.	7/26/2019 3:34 PM
38	I would like for there to be additional businesses where a person could make a decent living. Not a tourist based minimum wage job.	7/26/2019 2:07 PM
39	More jobs and better income opportunities... It's pretty great though, as is... Also, a few more Dollar General locations 😊	7/26/2019 12:34 PM
40	I would like to eliminate the "suburban fringe" and have a clean line between vibrant small town and open countryside, and avoid big box stores.	7/26/2019 10:13 AM
41	Something like this may already exist, but offer some type of incentive or tax break for new businesses to start up, especially ones that will create many jobs.	7/26/2019 9:06 AM
42	The lack of sidewalks	7/26/2019 5:45 AM
43	We need good broadband. I live/work in Holly Springs. It's a challenge to operate my business without broadband.	7/26/2019 4:29 AM
44	To have a University	7/26/2019 3:55 AM
45	More vibrant businesses downtown.	7/26/2019 1:17 AM
46	I would love to see the greenway developed more and use of the river. In Germany they have a barefoot park bay river that brings 1000's of people during the summer month. It is a combination of exercise and walking path. Developing the river area and utilizing the greenway could be a large tourism drawing point.	7/25/2019 11:38 PM
47	drug Problem	7/25/2019 7:44 PM
48	More stable full time employment opportunities	7/25/2019 6:22 PM
49	it would be nice if downtown was a little more active. Maybe some more restaurants	7/25/2019 7:23 AM

50	I'd like to see more manufacturing jobs. I realize it's a wonderful tourist spot but I also believe we can have both tourism and industry work together. Internet connectivity will be PIVOTAL! I'm proud of the work of the town and county, but I would really like to see more effort going to economic development in industrial fields. I believe we have/could have the labor, it's just too competitive and people leave town for better jobs. I don't know the answer of how to do it, but I think we can have both. It doesn't have to be caterpillar or CR, but make it more attractive to businesses to open or relocate to this awesome area.	7/25/2019 5:21 AM
51	Fewer breweries and more wholesome things for our children to do. How can we stop drugs when we finance the number one drug alcohol.	7/24/2019 5:26 PM
52	Go back to small town charm.	7/24/2019 10:29 AM
53	More options for kids, activities and fun things to do. More sidewalks for people that walk, to get around town.	7/24/2019 9:47 AM
54	More positive economic growth for local businesses	7/24/2019 5:50 AM
55	Internet is the worst problem with consistency in healthcare a major issue.	7/23/2019 5:59 PM
56	More robust downtown area, e.g., more diverse restaurants	7/23/2019 11:40 AM
57	Would like more activities for Seniors & a Publix grocery store. (There are adequate Ingles grocery stores but a diversity would be nice.)	7/23/2019 10:13 AM
58	Town- needs updating	7/23/2019 9:47 AM
59	The constant traffic circle additions. And everyone trying to turn it into Highlands light.	7/23/2019 8:40 AM
60	Some good franchise restaurants down along the highway.	7/23/2019 7:45 AM
61	More retail	7/23/2019 6:25 AM
62	There are particular areas of the town that need to be cleaned up. The first that comes to mind are the tire stores who allow discarded tires to pile up and are visible to all.	7/23/2019 4:21 AM
63	Our political leaders that lack back bone to stand up when the "vocal minority " starts opposing any change.	7/23/2019 3:36 AM
64	We need more eating selections like Chik-fil-A & Applebee's. We need more recreational facilities for Seniors like additional Pickleball Courts.	7/22/2019 3:56 PM
65	I hate the strip road that is Georgia Road with its messy garages and tall signage as you approach the old town. This newer section looks identical to every other small town in America with its cheap fast food outlets. Disgusting!	7/22/2019 3:11 PM
66	more concentrated downtown with locally owned businesses	7/22/2019 2:04 PM
67	Main Street is more dangerous to cross since the new cross walks and parking structure has changed. It is okay coming from the art room side, scary coming from the books unlimited side. By the time cars get to Lazy Hiker, almost no one stops for pedestrians in the cross walk. I would like to see downtown turned into a pedestrian mall. I don't have suggestions for rerouting traffic or accommodating parking.	7/22/2019 1:53 PM
68	Walkability from the trail to library, Carpenter Center, pool, and local businesses.	7/22/2019 1:51 PM
69	Not much! Maybe add a Duffy's (Florida sports bar and grill that supports its community)	7/22/2019 11:31 AM
70	More retail	7/22/2019 9:29 AM
71	The one way streets downtown and the need to block off for festivals.	7/22/2019 9:10 AM
72	441/Georgia Hwy. Have better alternate routes so can bypass this area. More pedestrian friendly sidewalks. Signage restrictions so as to improve visual appearance and environment. Franklin has a look, feel and vibe of commercial/commerce business town. Not a warm or inviting place for visitors to make it a destination for pleasure, shopping or dining.	7/22/2019 8:07 AM
73	Get more employment options for the incoming generations.	7/22/2019 7:55 AM
74	Bring in a Target store and more food options.	7/22/2019 7:19 AM
75	Medical care.	7/22/2019 4:56 AM
76	Larger business employment opportunities. More admin/ accounting occupations	7/22/2019 4:54 AM

77	Better shopping eg Publix	7/21/2019 8:37 PM
78	More restaurants open later, throughout week	7/21/2019 6:48 PM
79	Add more small specialty businesses	7/21/2019 6:30 PM
80	Need chain restaurants	7/21/2019 5:29 PM
81	Free WiFi	7/21/2019 4:36 PM
82	Open the door to making Franklin a beautiful town for visitors. Town planning, cleanup the streets, make an ordinance on signs along the road.	7/21/2019 4:04 PM
83	More things for teens and young adults to do so they will stay or return after college	7/21/2019 1:27 PM
84	Access to great health care,	7/21/2019 12:13 PM
85	I would appreciate having more amenities.	7/21/2019 11:11 AM
86	I'd love to see more activities, places, and events going on in town geared toward the younger crowd and families with children. There's already plenty for the older generation such as quilt/yarn shops, senior center, senior games, etc... If Franklin wants to keep full time residents there's a change that has to happen. The reason so many places are hiring and people can't find help is because a majority of Franklin residents are retired or unemployable. With the unemployment rate at 3% it's very difficult to open a business and expect to find good help. We need to make Franklin a destination to live and not just to visit. Multiple restaurants and businesses have struggled because they can't find help because nobody wants to live in a sleepy and boring town. Communities around Franklin are more progressive and flourishing, why not us? We have a beautiful natural resource (river) going through town as well as being surrounded by hiking trails, biking trails, and an abundance of outdoor recreation opportunities. Instead of taking advantage of these already existing natural resources we put employee parking, dumpsters, the backs of buildings, and factories facing the river. The streets are lined with vacant, deteriorated buildings, closed businesses, and dollar generals. Let's revitalize this beautiful place we call home and make it more appealing for driven, working families to live here and thrive.	7/21/2019 10:06 AM
87	To stop this stupid leash law practice where people just allow their animals to run around the roads and get hurt.	7/21/2019 9:52 AM
88	Narrow mindedness of town leaders. Failure to plan wisely for the future.	7/21/2019 9:32 AM
89	Maybe the homeless being all over no where for them to go so they sleep in parks.	7/21/2019 8:33 AM
90	Lack of Internet	7/21/2019 8:24 AM
91	Increase the job opportunities and also increase the available rental properties for residents	7/21/2019 8:18 AM
92	Improve availability of health care professionals	7/21/2019 7:40 AM
93	The filthy river. The one way to no where coming from the south. The turn from main Street on to the four lane. It's dangerous.	7/21/2019 7:29 AM
94	Restaurant should stay open and available. One nice restaurant. We have a few and need more.	7/21/2019 7:28 AM
95	More boisterous commerce friendly downtown area	7/21/2019 6:10 AM
96	Would like to see variety of additional shops. (Boutique, gift, garden, upscale decor like Dutchman's). So many visitors are drawn to Highlands for shopping.	7/21/2019 5:55 AM
97	Better more accessible airport	7/21/2019 5:44 AM
98	Clean up or demolish old, dilapidated buildings.	7/21/2019 5:34 AM
99	Bring more business jobs here for those of us that must travel outside of Franklin to earn a living. Which also means spending money in other counties (gas, groceries, etc).	7/21/2019 5:23 AM
100	Income levels, more opportunity for our young people that is not service jobs	7/21/2019 5:21 AM
101	transportation	7/21/2019 5:03 AM
102	More economic development that allows younger people to thrive here and create a more sustainable town economy.	7/21/2019 4:58 AM
103	Drug use	7/21/2019 4:50 AM
104	More youth and jobs	7/21/2019 4:28 AM

105	Open downtown up for business	7/21/2019 3:57 AM
106	Internet	7/21/2019 3:56 AM
107	Nothing	7/21/2019 3:42 AM
108	Less fast food. Homes that look like a dump with trashed and rusting cars.	7/21/2019 3:38 AM
109	Cheap ugly buildings and trashy streets.	7/21/2019 3:32 AM
110	Don't know yet. Haven't been here long enough.	7/21/2019 3:22 AM
111	Turn the part of main street into a pedestrian mall with traffic routed around and parking on the outside.	7/21/2019 3:11 AM
112	Not much	7/21/2019 2:54 AM
113	Less open buildings, indoor public recreation center/pool.	7/21/2019 2:50 AM
114	It is getting too busy and that is destroying the small town feel.	7/21/2019 2:38 AM
115	Make it more senior friendly, more seating on greenway, sideswalks to ease walking traffic (those in place are pretty dangerous, especially downtown).	7/20/2019 4:49 PM
116	Fill the recently vacated Walmart and Kmart. Don't issue permits for additional new stores before someone occupies these buildings.	7/20/2019 12:36 PM
117	Better roads. Easier recycling.	7/20/2019 10:27 AM
118	Medical access (more GPs and specialists)	7/20/2019 8:57 AM
119	Better paying jobs, or jobs with better benefits	7/20/2019 4:40 AM
120	The maintenance and up keep of the horse arena in town so that our children that do this sport have a place to have events and practice their sport.	7/18/2019 5:18 PM
121	Local residents taking more of a pride in their community and keeping it clean	7/18/2019 3:46 PM
122	The lack of basic services outside the town borders. We do not have internet available and the cell phone service is poor at best. With students in the schools being required to do their homework on tablets, you are dooming my children to failure.	7/18/2019 11:35 AM
123	I like Franklin just as it is!	7/18/2019 10:10 AM
124	increasing crime rate	7/18/2019 8:28 AM
125	lack of sidewalks and bike lanes	7/18/2019 8:06 AM
126	I would like to see more enforcement of clean up. We have blight around homes and businesses that should not be allowed.	7/18/2019 7:07 AM
127	More shopping choices.	7/18/2019 6:51 AM
128	More involvement from town residents with Town Council...having knowledge on both sides will only make the process of Town business flow more smoothly.	7/18/2019 5:59 AM
129	More emphasis needs to be placed on making Franklin a town our children want to and can afford to return to after college.	7/18/2019 5:16 AM
130	Better internet	7/17/2019 6:47 PM
131	The downtown merchants staying open longer, maybe on the weekends. I would like to see and underlying theme to storefront awnings, bigger sidewalks with space for restaurants and cafes to have outdoor seating.	7/17/2019 4:16 PM
132	- We need better/faster internet. Many business could be run online and it promotes companies to open up shop here. Lots of startups and small businesses love running their companies in smaller/cheaper towns that can provide a good work life balance. The more diverse the companies are the more likely Franklin can have opportunities for younger generations to learn new valuable skills. Extra: Downtown could use some freshening up. Even pressure washing the buildings could go a long way.	7/17/2019 3:59 PM
133	I wish that the area would get reliable High Speed Internet. I live in Hayesville and have Fiber Optic. That would help business come into the area.	7/17/2019 3:38 PM
134	more parking	7/17/2019 12:29 PM

135	in-town merchants open later than 5pm	7/17/2019 11:53 AM
136	Would like more of the town area to have a feel like the historic district, more shops within walking distance of one another yet keep the small town atmosphere	7/17/2019 11:14 AM
137	1. The mobility and transportation of people through Franklin. Improved sidewalks and connect ability. Increased signage through town, including Macon Transit pick up locations. Bike racks. Anything that would make walking the easy choice.	7/17/2019 5:43 AM
138	Make our riverfront an iconic feature by building a river walk throughout the Town limits and moving forward with the river district plan	7/17/2019 5:34 AM
139	Better, Faster, Cheaper internet (especially in the evenings). More sidewalks and bike paths, less cars. Better crosswalks at intersections, maybe diagonal ones that eliminate the need to cross the same intersection twice. More police enforcement for speeding violations on roads surrounding downtown. Places to eat open later and on weekends (i understand this is not something Franklin government can control but would be nice).	7/17/2019 4:40 AM
140	A river district. Highlight the natural beauty of the area, not destroy it.	7/16/2019 9:29 AM
141	All the change that has been made lately.	7/16/2019 8:12 AM
142	The traffic pattern is a nightmare... But I realize that is on the folks who laid out the town decades ago and now a DOT matter. If I could change one thing I would like to see more utilization of the greenway and a possible greenway extension on the south end.	7/16/2019 7:33 AM
143	More opportunities for career type jobs to keep younger adults in the area.	7/16/2019 7:21 AM
144	Removal of monopolies such as frontier and duke energy. There needs to be more options so prices and availability are feasible	7/16/2019 3:52 AM
145	I would really like to see new businesses come to Franklin that could provide good paying jobs for our residents.	7/16/2019 3:15 AM
146	Outsiders moving in and "improving" our area for the better.	7/15/2019 7:18 PM
147	I would like to see a change in the use of the property around the river. I would also like to see town wide trash and recycle pickup for every property being charged along with the water bill. This is done in surrounding towns and would probably help with trash problems.	7/15/2019 5:44 PM
148	A LOT needs to change. More stores, places to shop, things to do. I hate having to drive 1-2 hours just to find a shopping center. It's 2019 not the 1950's. There are so many empty buildings here it's such a waste of space. There really isnt anything to do here unless you are a young kid or want to hike up some mountain to look at some waterfall, or someone who wants to go drink at the NUMEROUS breweries and bars. Also the internet access here is ATROCIOUS. that NEEDS to be fixed. If there isn't anything else to do I at least don't want to have to wait 30 minutes for a show on Netflix to load. Also I am tired of all the druggies and KNOWN drug dealers everywhere and no one doing a thing about it. No one pays any attention to the speed limit signs either and I get really tired of being tailgated everywhere I go. Maybe we could add some more vigilant law enforcement?	7/15/2019 5:44 PM
149	The petty, vicious attacks on social media amongst some of our citizens.	7/15/2019 4:07 PM
150	The access to the river and Greenway	7/15/2019 1:51 PM
151	More activities for youth, ie: roller rink, bowling alley, skateboard park. More doctors & specialists. Restaurants that open on Saturdays. Dairy Queen, Dunkin Donuts, Hobby Lobby, too many Mexican restaurants. Need good steakhouse and fish restaurant	7/15/2019 1:01 PM
152	More activities	7/15/2019 12:24 PM
153	Any negative attitudes about it.	7/15/2019 12:17 PM
154	city seems to have no vision or plan for the future.	7/15/2019 12:16 PM
155	Improve NECESSARY infrastructure i.e. water, sidewalks, streets	7/15/2019 11:45 AM
156	Eliminate sprawl, as for example along 441 south.	7/15/2019 11:43 AM
157	Our commitment to having excellent schools. As an older community I feel as if we've forgotten the necessity of educating our next generation. AND it will increase our property values as more people move into the area with younger families.	7/15/2019 11:34 AM
158	We need a tourist destination. And it would be great to be more eco friendly	7/15/2019 11:30 AM

159	better internet	7/15/2019 11:12 AM
160	Have more resources to help the homeless and almost homeless	7/15/2019 9:55 AM
161	better internet and more businesses need to come in	7/15/2019 8:43 AM
162	The lack of growth. We need more businesses to keep the young people here in our community.	7/15/2019 8:28 AM
163	The town officers	7/15/2019 7:53 AM
164	the lack of vision for making franklin prosperous. usually caused by negative government officials and locals who want franklin to always be "small". a town can still have that small town appeal with a growing economy. liberal thinking government wants to always focus on programs that do no make macon county more prosperous	7/15/2019 7:14 AM
165	Clean up the drugs! We are all sick and tired hearing the BS we don't have a problem! If the mayor and police chief feel this way then they need to get off their asses, walk out the door and resign!! Put dogs on the street and in the hands of officers who want to do right! Cut upper salaries and give it to those 911 personal!! PERIOD!!!	7/15/2019 7:05 AM
166	More diversity.	7/15/2019 4:58 AM
167	We need more businesses to come fill the empty buildings they are an eyesore. We need better parks for the younger children I would also like to see more sports activities offered with some type of financial aid for multiple children who enroll	7/15/2019 3:14 AM
168	Town seems to be dieing with more and more businesses closing and commercial property for sale	7/14/2019 2:47 PM
169	Nothing. Don't want it to become a big city like Asheville. Seems the local government is way to interested in growth and grant money.	7/14/2019 12:15 PM
170	Police should pull over people who stay in the left lane.	7/14/2019 7:58 AM
171	With the exception of the fiber optic line in my office, Internet speed is unacceptable in nearly every area. Internet has become a standard utility, not a luxury item, and everyone needs access fast internet. Frontier has a monopoly and provides a substandard service. HughesNet provides access in "remote" areas (we are 15 minutes from Main Street, which is anything but remote), have the highest package, and run out of data within the first 10-14 days of each billing cycle. To have enough data for the entire month we have to add on extra, making our typical monthly bill \$300 per month. More high end options and more variety in restaurants and shops. Downtown Clayton makes a great small town roll model. More "international" type restaurants - Mediterranean, Vietnamese. No more cheap chain fast food places. It would benefit the entire town to have ordinances on building and landscaping appearance for commercial properties. Clean up the area at the bottom of town hill / Highlands Road intersection.	7/14/2019 5:52 AM
172	Drug problem	7/13/2019 6:58 AM
173	To quit spending money on useless roundabouts at every intersection	7/12/2019 9:33 PM
174	More internet providers, diversity in our community, and more restaurant choices.	7/12/2019 12:21 PM
175	We need more places to eat and the internet is the WORST. Also, I think we need to make more effort it keeping the sides of the roads clean.	7/12/2019 11:38 AM
176	There are not enough opportunities for employment, dining, entertainment, and shopping.	7/12/2019 11:10 AM
177	All of the empty buildings. Kmart, Walmart, DQ, Bojangles, all of the empty buildings and plazas are such a waste of space and an eye sore...	7/12/2019 9:34 AM
178	add resaurants	7/12/2019 8:34 AM
179	I wish we had a Chik-fila and a Longhorn steakhouse or Olive garden. I would like to see the police continue to crackdown on the drug users and manufacturers.	7/12/2019 7:47 AM
180	See more businesses and retail in the area.	7/12/2019 7:43 AM
181	One thing I would like to change how closed sighted the town officials and a certain a business owner are about making some parts of our community better not just for adults but also for our kids. We have a true need	7/12/2019 7:16 AM
182	Needs some revitalization.	7/12/2019 6:08 AM
183	Eliminate the HUGE drug problem we have in this town.	7/12/2019 6:00 AM

184	That we can't do anything without the brewery's. It's a shame to drive by and see children at a brewery. You were raised better folks.	7/12/2019 5:49 AM
185	Access to more shopping opportunities without having to drive to Asheville or other larger cities by filling all those vacant store fronts.	7/12/2019 5:45 AM
186	I have always felt the restaurants are lacking, has been great improvements in the last few years, but when you compare quantity and quality to Clayton or Sylva we are still behind.	7/12/2019 5:29 AM
187	We need to crack down on the drug activity.	7/12/2019 5:28 AM
188	There may not be anything that can be done if it is a wildlife preserve but I would like to see the swamp area between Depot st. and Wesley's Park cleaned up removing the dead trees and add a walking trail around it. It would make a lovely pond. Adding more parking somehow to downtown would be nice also.	7/12/2019 5:07 AM
189	too much construction, an actual super walmart, less Ingles & DG, the police should act more like that they exist for public safety and not to trap you into endless court dates and fines	7/12/2019 4:56 AM
190	Town looks so run-down - empty stores, Greenway railings falling down, general overgrown look around town.	7/12/2019 4:51 AM
191	Have more access to better internet. Be more friendly for 20-30 somethings. There isn't much to do around here for young couples with no children. Housing is so very hard to find. Especially affordable housing.	7/12/2019 4:39 AM
192	Remove all the strip malls and make a couple of nice shopping areas so it doesn't look so trashy. Especially when the stores leave and the strip malls sit empty.	7/12/2019 4:18 AM
193	The safety of Georgia Road	7/12/2019 4:18 AM
194	franklin needs hospital care for mothers to be, activities targeted at younger married people to help recruit more quality people to move here or our youth to stay here instead of leaving for larger towns that have these amenities. we will not survive or flourish without the workforce and community service that this age group will provide. (millennial and middle aged)	7/12/2019 4:12 AM
195	That the roads and the garage litter were better managed	7/12/2019 3:51 AM
196	More options for expansion BUT persevering the historical small town.	7/12/2019 3:43 AM
197	More recreational development.	7/12/2019 3:32 AM
198	More retail stores	7/12/2019 3:28 AM
199	More diverse shopping.	7/12/2019 3:26 AM
200	We need more clothing and shoe stores, craft stores, etc.	7/12/2019 3:21 AM
201	Unnecessary road construction like we are big town America	7/12/2019 2:15 AM
202	The empty stores	7/11/2019 8:25 PM
203	See more growth - good growth - healthy growth with new businesses Faster internet	7/11/2019 8:25 PM
204	More choices to shop, retail stores	7/11/2019 7:53 PM
205	I would like to see a river district; a nice area that encourages folks to spend time in town.	7/11/2019 7:00 PM
206	All power poles should be moved underground within the city limits. It would allow for a old time feel without sacrificing convenience. Added bonus, less outages from storms.	7/11/2019 6:38 PM
207	Would like to see a few sit down chain restaurants come here.	7/11/2019 6:28 PM
208	More reliable internet service	7/11/2019 6:16 PM
209	Wish we had more restaurants and things to do.	7/11/2019 4:40 PM
210	Internet and phone connections are incredibly iffy and slow most parts of Franklin. There are next to no spots for entertainment especially since the skate way was closed a few years ago. I would like to see the addition of a few new to-dos and the like closer than an hour away.	7/11/2019 3:17 PM
211	More updated businesses	7/11/2019 3:14 PM
212	More restaurants to eat at and better paying jobs. True we don't need much to live but better jobs mean moving out of town.	7/11/2019 2:29 PM

213	I'd like to see more efforts like that on the east side at the mound to remove or replace unsightly commerical and other abandoned businesses. Since most visitor destinations are to the north and east of us, anything that can be done here to make the place more attractive is likely to encourage visitors to stay rather than keep driving.	7/11/2019 2:29 PM
214	Allow more stores to come into Franklin. Everything here is kind of outdated and boring. There is also not much to do for the younger people, which is why a lot of them are getting into trouble. We need to incorporate new items like postmates, uber, etc. There is not much diversity in Franklin. I want to be able to get cool food from different cultures for example. Franklin needs to be more inclusive. I feel like most of the older people do not want anything to change and they don't want more people here. However, if we keep this up, no one will want to stay in franklin eventually. We need to include more advancements. Also, apartments that are not low-income. It's so hard to find a place around here that is not crazy expensive or you have to make very little income. It's not possible to live like this. There needs to be more mental health resources and make them easier to access. We need to try and also be more environmentally friendly. Maybe adding more sidewalks and making it easier for people to be on foot or on bikes. Back to letting new stores in. We have so many abandoned buildings. It's just a waste of space. It will be so cool to have like an art store that holds just about everything, like Blick for example. Some new fast food or restaurants will also be cool. There is just so much that can be done with Franklin. We should not be afraid of change. Something also has to be done about the lines on the road. When it rains, you cannot see where those lines are because it's just reflecting the sky.	7/11/2019 1:51 PM
215	Stop trying to turn it into "Little Asheville". There are other businesses in town that aren't on town hill but, for the most part, they are ignored. If it doesn't involve town hill, it is ignored. Franklin has never been a "tourist town" it was always a "working town". Our children can't earn a decent living working tourist support jobs for 6 months a year. How about supporting businesses that will provide full time, long term jobs. If you are going to spend the tax payers money, spend it on infrastructure and services that government should provide: water, sewer, good roads and sidewalks, fire and police services. Do those things well.	7/11/2019 1:50 PM
216	I wish there was more to do. I would appreciate seeing new stores or even something like the Skate-way coming back. Something needs to be done with the old Walmart and Kmart buildings, right now they are just wasted opportunity. Franklin seems to be the small town that doesn't grow or change and then ends up being covered by nothing but car dealerships. I have lived here all my life and the one thing that has made me want to leave town is the fact that there is barely anything appealing about it. Even if the small shops were promoted and outlined... We have the small stores on main street being promoted, but what about the ones everywhere else? I'm still finding stores that I've never seen or heard up before in this town that have been around for years. These small businesses make this town seem interesting. I hate the fact that this town doesn't have very many Job opportunities that actually provide a living wage, but I also know that Jobs come from expanding the town to more than just car dealerships with big flags and bright lights. I feel like I speak for a majority of young people when I say we just need more, stop wasting the opportunity of the abandoned Walmart. build a skate park, build something ANYTHING to do that isn't just buying clothes on main street and wasting Money on things no one needs. Listen, I love my town. This is my home and probably always will be, but that doesn't mean it should always stay the same. I'm really hoping that this really gets taken into consideration.	7/11/2019 1:46 PM
217	More restaurants and retail from national chains.	7/11/2019 1:23 PM
218	I cannot name one. I want to see new jobs come to the area, and not just fast food, low paying jobs. I want to see better internet options to the entire county, I want to see more housing available at reasonable prices (Not just another low income housing apartment complex), and I want to see all of our empty buildings being used instead of just sitting there.	7/11/2019 1:14 PM
219	I would love to see positive growth. Born and raised here I feel we are the only town within 50 miles on all sides of us that have not gone forward. In my opinion we had much more to offer 10 years ago.	7/11/2019 1:13 PM
220	Nothing	7/11/2019 1:12 PM
221	I wish the internet was better (faster, more reliable).	7/11/2019 1:10 PM
222	needs to bring in more shopping and restaurants.	7/11/2019 12:46 PM

223	The sense of dying that cakes the air. I am a young 26 year old male who has lived in Tallahassee, FL and San Diego, CA for the past 6 years before moving here. I can honestly say besides bible study and taken shots at some small town bars this town has nothing to offer my generation. I understand that this town is supposed to be a place of retirement and calmness but it has potential for so much more. I just wish to see some big moves made by this town. Some serious business's populating in here. Food for one but entertainment is a big part of it. I do not have any suggestions because well... I have not ran a town before but I feel like the leaders of this town are afraid of change. I live in town now but I did start off by living our near Burningtown for a while. Please do not ignore this last message... PLEASE get some kind of steady internet out there. There is not excuse anymore honestly. Morris Broadband or Frontier or both honestly need to be expanding their general service to the surrounding areas. My parents live out there still and honestly it is just pathetic at this point in time. It is probably the most requested thing that your general populace are asking for and on a weekly basis new "rumors" are spread saying that it is days if not weeks from becoming a possibility.	7/11/2019 12:42 PM
224	NA	7/11/2019 12:41 PM
225	Not much, really.	7/11/2019 12:38 PM
226	The lack of internet availability.	7/11/2019 12:22 PM
227	just the parking and the prevention of road construction error (i.e the merge/right turn -off of E main st and 441.	7/11/2019 12:22 PM
228	more employment opportunities	7/11/2019 12:19 PM
229	I know one thing I hear a lot is the lack of better paying jobs.	7/11/2019 12:09 PM
230	I would love to be able to drive to/through town without running into road construction on 3 separate roads	7/11/2019 12:08 PM
231	There is a lot of trash around town lying in the streets and in the grassy areas.	7/11/2019 12:04 PM
232	The new intersection at Main street & 441 intersection; That one is so dangerous to get off Main onto 441-S. I hate driving to go that way, thank goodness there is another route I can take. There is more road work being done, I just hope it works better than what I have seen so far. .	7/11/2019 12:04 PM
233	Better facilities and planning for youth activities and development.	7/11/2019 12:03 PM
234	I wish there were a few more mid-price-range restaurants.	7/11/2019 12:01 PM
235	The lack of anything to do	7/11/2019 12:00 PM
236	Other nearby towns, such as Sylva, Bryson City and Clayton GA, have enhanced their downtown with great restaurants and stores, which attract folks to visit on a regular basis; yet they have managed to preserve the "small-town, mountain" feeling. On any weekend, these towns are busy and vibrant, yet Franklin remains quiet and sleepy. I would like to see Franklin compete with this and enjoy the economic surplus these other towns have experienced.	7/11/2019 12:00 PM
237	More options for shopping and dining instead of having to drive to Asheville, Georgia or Tennessee.	7/11/2019 12:00 PM
238	From a land use perspective, I'd like to see safer roads for all users. Wider lanes to accommodate the larger trucks that are everywhere, more and better sidewalks throughout town and out into the county, and possibly some bike lanes that reach out beyond the town limits.	7/11/2019 11:59 AM
239	Limited shopping	7/11/2019 11:58 AM
240	stop adding the roundabouts	7/11/2019 11:56 AM
241	Perhaps crackdown on reckless driving on Georgia road. Specifically the stretch from the outskirts of Ruby cinema to the heart of town. Franklin also needs a Chick-fil-A... I think the Lord would approve of that notion.	7/11/2019 11:52 AM
242	I would love to see the town recruit some real businesses to invest in the greater Franklin area and bring decent paying jobs in. I am not talking about all the "tourist" businesses the town always supports. Not everyone wants to have a career in the food service industry. If you have a decent job in Franklin you either work for Drake or Mission Hospital system.- - -To have a vibrant town their have to be good jobs for the local inhabitants to be able to work. Without good paying jobs, the locals do not have any disposable income to spend at all of the stores and restaurants in town.	7/11/2019 11:52 AM
243	Bring in more restaurants and shopping opportunities so you don't have to go out of town.	7/11/2019 11:51 AM

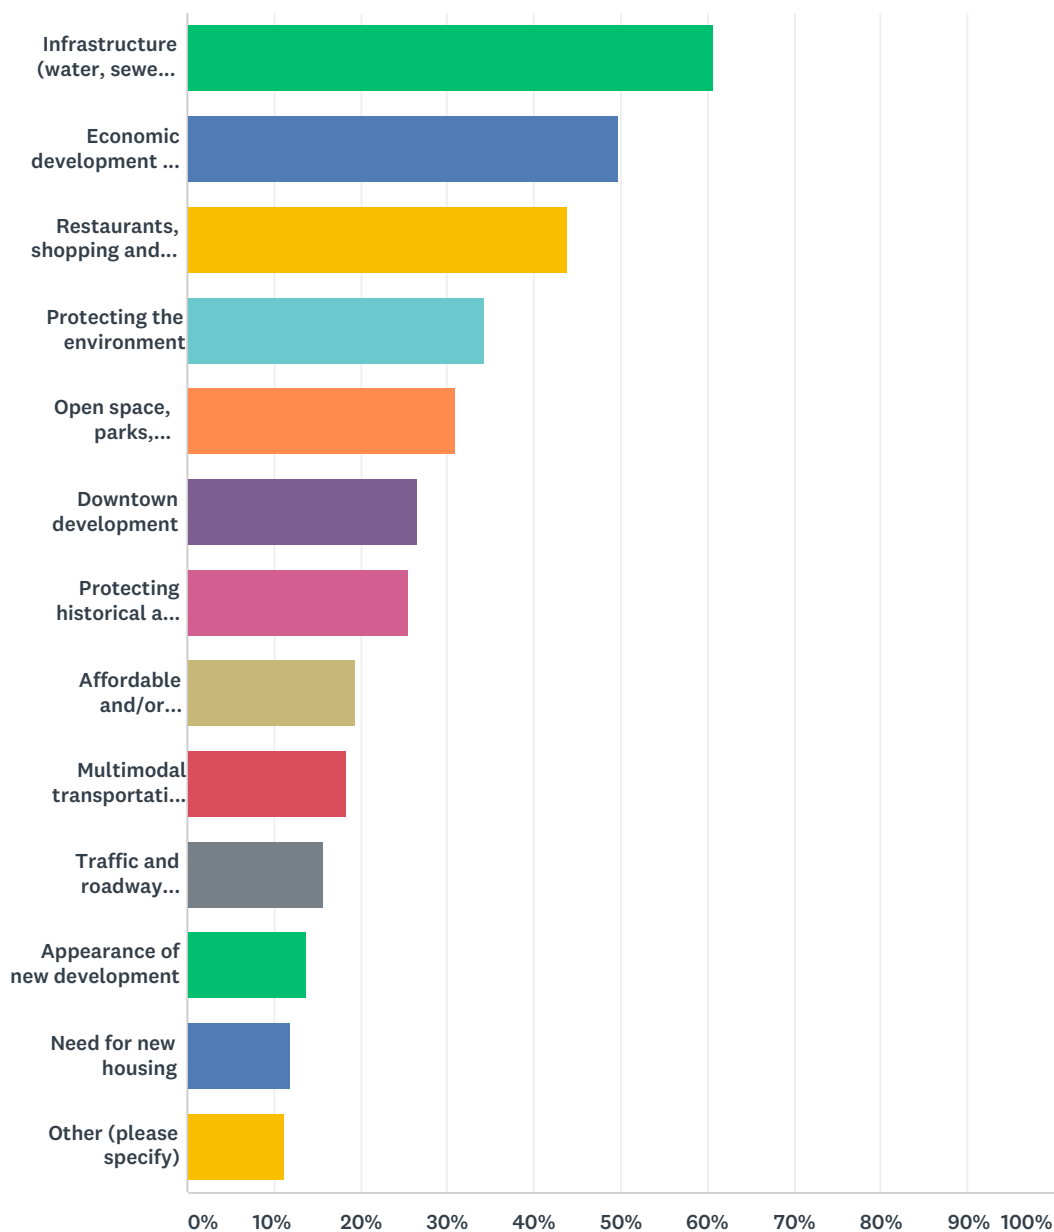

244	Drugs	7/11/2019 11:51 AM
245	Our downtown has fallen behind others in the area. We do not have enough of the types of ongoing activities and retail businesses for a thriving downtown. Too much of the area is taken up with businesses that do not add to what a successful downtown needs.	7/11/2019 11:51 AM
246	The court system. I have had my motorcycle stolen from me, and they got a slap on the wrist, waiting on restitution, I feel like I will not get it. They were repeat offenders.	7/11/2019 11:51 AM
247	1) A sign ordinance. I was in Port Orange last week. Their sign ordinance made the town look really nice. We had little problem finding what we were looking for. 2) A light ordinance. Our area is very beautiful at night also. We need to preserve the ability for our kids to enjoy the night sky like we could. I believe lighting often makes it easier for criminals to break into your home.	7/11/2019 11:51 AM
248	The closed-mindedness of the residents here.	7/11/2019 11:50 AM

280	I think there needs to be more affordable housing (not low income apartments) for people moving to the area. Town houses, or small subdivisions.	7/11/2019 8:24 AM
281	More, varied businesses on Main Street. Why does Franklin not attract Main Street businesses like Clayton and Sylva? Is it who owns the buildings? Is it the way we recruit and support small businesses? We need more vibrant businesses on Main Street.	7/11/2019 7:41 AM
282	Need better internet and cell phone service	7/11/2019 7:36 AM

296	Develop/invest in more and better outdoor recreation opportunities that wouldn't require traveling outside the county.	7/11/2019 3:40 AM

307	Improved infrastructure.	7/10/2019 3:57 PM
308	Finding the right words.... I'm a big fan of the small town life, choose to raise my child here for exactly that reason. But I think we're a little stuck in the mud of the "small town" life and we're not as forward-thinking as we could be. Not saying we need to be more liberal. Not trying to become little Asheville. Just... in general seems like we take one step-forward and three-moves back with Everything.	7/10/2019 2:17 PM
309	Better parking for downtown.	7/10/2019 2:10 PM
310	A bit more transparency in government would be nice. Sometimes we get the feeling that money is changing hands, and decisions are being made long before the issues are raised to the public.	7/10/2019 2:10 PM
311	Restaurants need to be open all day on wkends. If you expect tourists to wander you need to feed them. None of this close in the afternoon to set up for Eve. Crazy. And we need a good Target.	7/10/2019 1:56 PM

12	Commercial space that isn't office space. There's so few good options for retail space over 2500 SF. Also, I know it's kind of hard to deal with, but the layout of west franklin, mainly Palmer street shopping center, is pretty bad and I believe it hinders growth on this end. The Habitat store is as ugly as homemade sin with those colors and looks pretty bad with those awful colors clashing all over the place. I know they didn't do much planning back when, but with a given opportunity I would like to see better layouts that would be more appealing to business. I don't believe it's the role of government to be in real estate but I totally understand why there are ordinances in many towns laying out design themes and colors. Also, one BIG issue I have is signage. Customers constantly tell me I need a bigger sign but I am maxed out with the current ordinance. I think it's just a bit too restrictive in regards to size.	7/25/2019 5:54 AM

Highlands has Fiber internet for businesses at 50Mbps for \$100 per month with free installation, while we pay \$350 per month for 20Mbps internet as well as THOUSANDS of dollars for the install. Franklin needs better internet.	7/10/2019 6:45 PM

And have an office downtown with Frontier that is awful (for payment options and reliability). Neither seem stable. My job security is being Online 24/7 and seems like one or the other is down so often, IN TOWN. It's incredibly frustrating. But again, no comparison to the people who actually have no access to internet... so really I have no complaints.	7/10/2019 2:23 PM

Walking-sidewalks— should cover a circle though downtown to pump house and oppose down to nursing home and opposite out to big lots. Some people may get their jollies by walking or biking up town hill, but IMO hauling around a family...just get me to the flipp'n Destination so I can do my business/see events/ and leave without it feeling like it's a huge ordeal.	7/11/2019 8:39 PM
125	Macon transit to have at least one 24 hour service	7/11/2019 7:55 PM
126	Old 64 needs sidewalks. That road has a high number of pedestrians in narrow lanes and blind turns.	7/11/2019 7:11 PM
127	1) Because downtown is actually on the top of a hill, a plan to increase pedestrian traffic on backstreet. 2) 441 south needs a safe sidewalk for those trying to get to work without transportation.	7/11/2019 6:48 PM
128	Ga road bike paths	7/11/2019 6:21 PM
129	Close proximity to downtown.	7/11/2019 4:43 PM

130	Ingles on Georgia, HotSpot	7/11/2019 3:19 PM
131	The greenway should be for walking. There are so Cyclists who don't care about the walkers. Transit services are sometimes hard to schedule in early mornings.	7/11/2019 2:34 PM
132	East Franklin.	7/11/2019 1:56 PM
133	around downtown and near Walmart. Pretty much anywhere that is quite occupied.	7/11/2019 1:55 PM
134	The Greenway would do well to have a separate biking path, I almost get hit by cyclists every morning. I feel like most places in town need a public transit, so just expanding outward a little would do.	7/11/2019 1:51 PM
135	There is a lot of foot traffic on Lake Emory Rd. I think a sidewalk is needed, and also better street lighting. It is really dark after the new storage buildings on that road. It would be nice if there were transit services after 5:00.	7/11/2019 1:22 PM
136	Around our downtown and safe passage for those who choose to shop at Big box stores	7/11/2019 1:20 PM
137	In town	7/11/2019 1:14 PM
138	Old Murphy Road. There are always people walking in the road there.	7/11/2019 1:12 PM
139	all of the county	7/11/2019 1:05 PM
140	Harrison Ave and Old Murphy Rd.	7/11/2019 12:52 PM
141	NA	7/11/2019 12:50 PM
142	The only place I remember not being able to walk to using the greenway was the rec park. That's a pretty tall order. Not sure where I'd put the path. But that's all I can think of off the top of my head.	7/11/2019 12:48 PM
143	The greenway and the rec park	7/11/2019 12:25 PM
144	441 South starting at Womack St to the new Ingles is especially dangerous to pedestrians and bicyclists.	7/11/2019 12:18 PM
145	Main St. I have almost hit pedestrians a couple times because you can't see them waiting in the crosswalk behind the parked cars. Fix the parking situation downtown and walking will be a lot safer. I would also love to see the transit service expanded to make regular stops in popular destinations at certain times (like a regular bus route) so that you can use the MCT without having to call to make an appointment ahead of time.	7/11/2019 12:16 PM
146	Sidewalks along the ga road in addition to the bike lanes	7/11/2019 12:15 PM
147	1. Sidewalks on Depot (including installing sidewalks beside Macon Furniture). 2. More sidewalks on GA road.	7/11/2019 12:05 PM
148	Downtown Main Street, around the area schools	7/11/2019 12:05 PM
149	Between downtown and the library and between downtown and the Walmart shopping area	7/11/2019 12:04 PM
150	Depot street, Main Street, Wells Grove Road.	7/11/2019 12:03 PM
151	Cowee, Downtown Franklin	7/11/2019 12:03 PM
152	Again look at the Port Orange FL example. They have bike lanes which are separated from traffic. You can ride a bike and get to any business. Right now riding a bike to work would be very dangerous. I have tried it. We have a big problem with a lack of sidewalks.	7/11/2019 12:00 PM
153	downtown and the greenway	7/11/2019 11:59 AM
154	Downtown and Highlands Rd.	7/11/2019 11:54 AM
155	Downtown area, Highlands Rd/Walmart	7/11/2019 11:51 AM
156	Main street and schools	7/11/2019 11:50 AM
157	Starting from depot street through downtown, all the way to Porter St or even to Old Ingles.	7/11/2019 11:50 AM
158	All of Franklin proper	7/11/2019 11:49 AM
159	More bus stops outside town limits.	7/11/2019 11:49 AM
160	None.	7/11/2019 11:49 AM

168	From Forest Hills Drive to Main Street	7/11/2019 9:15 AM
169	Downtown, along scenic 28.	7/11/2019 8:55 AM
170	. Greenway expansion.	7/11/2019 7:44 AM
171	1. Streets adjoining the Greenway 2. East Franklin roads (dangerous crossings)	7/11/2019 7:38 AM
172	I would like to see the Greenway connect to the rec park. I would like to see more sidewalks in general around town.	7/11/2019 7:26 AM
173	Downtown	7/11/2019 6:54 AM
174	I don't bicycle	7/11/2019 6:16 AM

178	make cycling on Greenway separate from walkers I don't use transit, but I understand that there are stops on a route but not enough	7/11/2019 3:32 AM
179	All downtown and arterial roads.	7/10/2019 8:43 PM
180	Bike lanes along the side of the road says. Expansion of the Macon County Transit services.	7/10/2019 7:00 PM
181	Outskirts	7/10/2019 6:56 PM
182	N/A	7/10/2019 6:47 PM
183	Transit line that doesn't require advanced notice. I.e. similar to public buses.	7/10/2019 4:06 PM
184	Old Murphy Road at the cemetery needs widening or a bike lane or SOMETHING. Highlands road, Sugarfork to Ellijay, is a death trap and we all know it and it's just awful :(7/10/2019 2:24 PM
185	Much of the Town area is definitely not walker-friendly. For example, I live just about a mile from Bi-Lo. When I worked there, I would have gladly walked to work, except that there is no sidewalk for walking safely on most of Highlands Road. You have a choice of walking on the roadway, far too close to 50mph traffic, or walking in the tall grass and getting wet and bug-bitten. Would it be so hard to have sidewalks put in along all the major (non-highway)roads?	7/10/2019 2:18 PM
186	Big Bear Park restroom should be cleaned DAILY	7/10/2019 12:31 PM

#	RESPONSES	DATE
1	More doctors	8/22/2019 11:43 AM
2	I would like to see Franklin have more restaurants such as a steak house or family restaurant that is mid-priced(Cracker Barrell, Longhorn, Steakhouse). More hotel rooms for visitors. I know big-name restaurants don't see the need to come here but I know we have the traffic and would draw people from neighboring counties. Also a community civic center that is able to handle at least our Neighborhood and other large events.	8/22/2019 11:34 AM
3	stop selling off our buildings such as the fire dept and try fighting for the people who elected you	8/13/2019 12:53 PM
4	Covered pool	8/6/2019 9:56 AM
5	Remain a beautiful and historical small town. Don't lose current identity	8/6/2019 6:36 AM

12	Solar, energy efficient. Well planned development preserving Franklin's history and heritage.	7/31/2019 6:54 AM
13	Get rid of all the trash & rubbish cause it really looks nasty & like we do not care & keep our town clean.	7/30/2019 7:46 AM
14	More and better sidewalks to encourage walk-ability around Franklin, which would encourage more people to exercise by walking.	7/29/2019 11:30 AM
15	New development be balanced with maintaining the environment (specifically erosion control)! Walkability, etc. is extremely important but none of it will matter if our rivers continue to run muddy when it rains...	7/29/2019 10:02 AM
16	Conservation of our natural resources the river through downtown is a real boon for the community.	7/29/2019 9:03 AM
17	1) Solve parking problem 2) Develop Whitmire Property 3) Provide information to travelers 4) Develop 5 year plans. The town of Franklin needs to partner with Mr. Drake. Mr. Drake is a big asset to the town and Macon county. Provide the land and let Mr. Drake build a parking deck so that he can have a tax write off. Build 250 car parking deck on Palmer St. Will provide parking for Mr. Drake employees and the town of Franklin. Provide Signs: "Franklin Points of Interest" – Electric or lighted metal 1. River walk, green way, hiking canoeing, rafting paddle boarding, touring, picnic area "free free" 2. Cherokee Mound History 3. "3" Three Museums 4th is being planned by Cherokee 4. Appalachian trail (stop over) 5. [Friendly People] Finance town, TDA, Grants involved – Traveling people have no idea what is in Franklin. Entertainments.	7/29/2019 7:58 AM
18	Keep the small town feel with improved parking and business, restaurant development.	7/29/2019 7:12 AM
19	Pave entire length of Greenway, finish section under Main Street bridge with a loop around to cross the bridge (without steps), finish the section at the end of the bridge to the current start behind the shopping center, and complete the greenway to the Rec park. Also allow better access with parking behind SCC and the library.	7/29/2019 7:07 AM
20	To see the courthouse and all law enforcement moved to the areas with plenty of parking. The town could have more shops and restaurants.	7/29/2019 7:05 AM

21	Maintain the small town feel by making sure that new development is true to spirit of existing town.	7/29/2019 6:59 AM
22	Town wide music festival requiring massive street closures and greenway access.	7/29/2019 6:53 AM

26	Expand the Community College to include technical and service fields such as welding, robotics design and repair, solar panel installation and repair, appliance repair, wind turbine technology. Also a large hotel and conference/exhibit center (-but NOT right downtown) to bring back the baseball travel-ball leagues for Parker Meadows and perhaps soccer tournaments.	7/27/2019 4:35 PM
27	Stress beautiful outdoor aspect of our area.	7/27/2019 8:04 AM
28	Keep it quiet, peaceful, safe. I don't want to be afraid to walk from the store to my car.	7/27/2019 6:30 AM
29	Making it more vibrant with multi use planning and making it active evenings and with special events! A weekly evening shopping event with booths etc. would be great for both business and fun!	7/27/2019 4:14 AM
30	We need a Target, YMCA, place for teens to be able to hangout, better shopping plaza, this town has nothing but fast food restaurants and everyone is so overweight!	7/26/2019 3:42 PM
31	A small town that has enough economic diversity that would allow Franklin natives the opportunity to come back from college and support a family. I would like to see the empty buildings occupied with businesses. I would also like to see the corridors into town maintained - weeds taken out, trees trimmed, etc.	7/26/2019 2:14 PM
32	I would like to see Franklin be a family-friendly safe small town integrated into the natural environment, easily traversed by foot or bicycle, and without suburban sprawl.	7/26/2019 10:14 AM
33	A Boys and Girls Club and a disc golf course	7/26/2019 9:29 AM
34	Green Green Green!!!! Trees, Plants, Greenway extentions ... We have views from every direction in almost every square inch of this town and county. Cashiers has the Village green which is an amazing park right in town that hosts art installations, has a HUGE outdoor covered deck for events, playgrounds, green space, and a greenway that connects you to other areas up there. I would love to see Franklin become a walk-able/bike-able town with green spaces all over. Many times when wanting to sit outside and enjoy the beautiful weather there is no where to go sit and relax for a bit while enjoying lunch outdoors (i work in town) ... We have so much opportunity here to become synonymous with outdoor living and what better time than now to make that happen! Have any of you ever been to Damascus Virginia which has the "The Creeper trail" .. This trail runs through Abingdon and Damascus and contains beautiful views all over .. You can stop off the trail grab a bite or a beer and keep on peddling right after. They even have local rentals (air bnb, vrbo, etc.) that are on the Creeper trail that you can hop on and off the trail at your own leisure.	7/26/2019 6:16 AM
35	Development of greenway to add more recreation area and incorporate use of river. Currahee brewing company has the correct concept. Let's expand the river area.	7/25/2019 11:43 PM
36	A vibrant community with stable full time employment opportunities that will attract full time residents	7/25/2019 6:27 PM

39	Keep it simple. Don't just make Franklin a naked over some place else. Use all our resources and help our people have a sense of self-worth.	7/24/2019 5:37 PM
40	Make it like Helen, Ga. Maybe with someone who has that kind of money. More Scottish things enhanced prior to anything large.	7/24/2019 10:40 AM
41	Focusing inward on economic growth. Improving environment and community for existing residents in lieu of focusing on bringing in new business.	7/24/2019 5:54 AM
42	Remain Small community with better infrastructure.	7/23/2019 6:04 PM

45	Beatification of downtown with trees, plants, additional stores.	7/23/2019 9:52 AM
46	embrace the heritage of those in Franklin and celebrate diversity instead of having everyone compete for scarce housing. Also give Cherokee their mound. It is absolutely ridiculous and shameful that we haven't and didn't.	7/23/2019 8:44 AM
47	Clean up/improve Main Street and Depot Street area	7/23/2019 6:30 AM
48	Continued and expanded medical facilities.	7/23/2019 4:25 AM
49	We get a new vision of what it takes to grow like the surrounding counties, PLANNING and implentation of the plans!	7/23/2019 3:40 AM
50	That it has a permanent art/cultural center featuring local pottery, art, and special high-end craftsmanship in a large circular wooden building with an excellent cafeteria with the best organic, local food served.	7/22/2019 3:59 PM
51	Development utilizing the waterfront views and access - turn shopping center on Highlands Rd around to face water. Creation of a cultural center embracing our native American heritage at Nikwasi Mound	7/22/2019 2:24 PM
52	Link the trails so when you go for a walk, you can end at a destination. "Let's ride our bikes to the library".	7/22/2019 2:01 PM
53	Giving young folks a reason to stay I. Franklin	7/22/2019 1:59 PM
54	to preserve the beauty of the geographic location and its culture while acknowledging and controlling the inevitable (and in some cases necessary) growth, modernization, commercialization and technology.	7/22/2019 11:38 AM
55	Safe, walkable. Downtown open evenings and Sunday afternoon.	7/22/2019 9:37 AM
56	A vibrant downtown during week and on weekends. More outside dining options....more dining options period.	7/22/2019 8:14 AM
57	Music and nightlife has improved greatly over the past 5 years. Id like to see that continue. Id like to see better quality restaurants with options to purchase alcohol. Also, it would be nice to see open office space available for rent.	7/22/2019 5:04 AM
58	To provide a living wage to residents outside the service industry. Well that and a new Dairy Queen.	7/22/2019 5:02 AM

60	Improve appearance on major roads coming into downtown e.g. Highlands Road	7/21/2019 6:55 PM
61	For us to find the balance in small town feel while bringing in what we need to grow and serve a changing population	7/21/2019 6:36 PM
62	Strip club	7/21/2019 5:32 PM
63	to have an historical main street with the feel of waynesville. To utilize the lake which could be beautiful for area canoeing, boating, paddleboarding and fishing. a boardwalk for walking around the lake for exercise, birding and viewing nature.	7/21/2019 4:32 PM
64	That we re-fill the empty box box locations with amenities that would serve families like a YMCA and an alternative to Walmart.	7/21/2019 1:30 PM
65	Bring us a Publix! And some new restaurant choices like Bonefish, Olive Garden, Carrabbas, even a Steak n Shake would be great (and they never close).	7/21/2019 12:23 PM
66	To have a more modern facilities where people can shop and spend time with their families and other community members. We would really love a Hobby Lobby, Dunkin Donuts and Chick-fil-A. I would also suggest that the businesses that are here would have better hours making themselves available in the evenings when young and older people like to be out.	7/21/2019 11:22 AM
67	To see more family activities come to town. YMCA or something for younger families to be a part of. The senior center has an abundance of activities. I think it's a little more impotant to start focusing on our up and coming generation - our children.	7/21/2019 10:17 AM
68	To get better restaurants in and around Franklin	7/21/2019 9:57 AM

69	Begin working on plans for a Riverwalk development. Upscale restaurants, shopping and entertainment.	7/21/2019 9:41 AM
70	A place people can come visit or live and not feel bored. A safe place where you can ride bikes walk and just enjoy the mountains.	7/21/2019 8:37 AM
71	better restaurant options	7/21/2019 7:45 AM
72	Keep the natural beauty. I came from Amelia Island which has been crippled by over development and clear cutting of the canopy. Improve rural garbage pickup and mail delivery.	7/21/2019 7:38 AM
73	I've contacted owners of business rentals downtown only to be told what business they allow on their property. I'll probably go to another town that is interested in variety.	7/21/2019 7:37 AM
74	Expanded commercial businesses	7/21/2019 5:49 AM
75	I know we all love small, local business, but it is not enough. We need more big chains like Target and PetSmart. A few chain restaurants would be nice, too. Help bring more visitors and new residents. Also, rural areas need better options for internet, phone and tv.	7/21/2019 5:43 AM
76	We need industry or businesses that are above minimum wage. Jobs that support families so our young people don't have to move away to see a future for themselves.	7/21/2019 5:27 AM
77	Abundant use of PV panels. Use them as canopy over public parking, on town hall, on Whitmire property, on town maintenance facilities. Capital outlay but reduces cash flow immediately upon completion. Sets Franklin apart from surrounding towns. Second: develop riverside. Work with county to use tax incentives to move Shaw to someplace like industrial park. Develop the acreage into green space, professional offices, retail and upscale residential. Third: some type of unique public transportation connecting East Franklin with downtown- moving sidewalks? monorail type system? something similar to rollercoaster? Has to move people up town hill.	7/21/2019 5:25 AM
78	A community that attracts people of talent who will live and work here (physicians, entrepreneurs, artists), creating more demand for other services supported by wise investments in infrastructure and start-ups.	7/21/2019 5:09 AM
79	Stay a small town but with more job options and better internet. Need to take advantage of our river as in Greenville, SC.	7/21/2019 4:05 AM
80	Clean up existing homes yards, clean up Georgia Road. Too many vacant/abandoned buildings. Healthcare--there are no specialists in the area (urologists)	7/21/2019 3:46 AM
81	To maintain the small town feel with a few improvements to include better internet service availability	7/21/2019 3:44 AM
82	Merge town government with the county government	7/21/2019 3:43 AM
83	Keep the small town look and feel while making it feasible for both older and younger families to live, work and find entertainment here.	7/21/2019 3:34 AM
84	To see something useful to the community done with the Big box stores that are vacant. I love the progress Franklin has made over the years and look forward to it continuing to grow.	7/21/2019 3:20 AM
85	Improve the lake area to make it more of an attraction	7/21/2019 2:59 AM
86	A more walkable downtown that supports a vibrant and active community of both residents and tourists.	7/21/2019 2:57 AM
87	Keeping that small town feel.	7/21/2019 2:40 AM
88	better senior thoughts for housing, single story, 2/2 with 1 car garage, no thresholds, having daily transit for seniors for shopping and doctors	7/20/2019 4:57 PM
89	Attract a restaurant like Outback, Chili's, Olive Garden, Cracker Barrel, or other type of quality restaurant.	7/20/2019 12:41 PM
90	Nicer downtown with green spaces as well as parking. Better roads.	7/20/2019 10:34 AM
91	have businesses on main street that are open outside of the 8-5 window with more possible "entertainment/restaurant" shops	7/20/2019 4:51 AM
92	More opportunities for new businesses and better use of vacant bldgs.. ie KMart,,old Walmart bldg	7/18/2019 3:56 PM

93	Support for the local businesses or starting local businesses, an increase in infrastructure and basic services that will draw residents (families), and an increase in manufacturing and higher paying jobs. We have a lot of potential to draw in other businesses or jobs, it is just difficult to get through the red tape, egos, and lack of support.	7/18/2019 11:43 AM
94	A large hotel with amenities that are large enough to host small conventions and parties	7/18/2019 8:33 AM
95	Better internet.	7/17/2019 6:51 PM
96	While not a "sexy" part of development although much needed is affordable workforce housing. Additionally needed is senior living areas that are within walking on near to basic services ie. pharmacies, grocery, gas station.	7/17/2019 4:27 PM
97	A more active downtown that people want to visit frequently. Many of Franklin's younger people leave town on the weekends and spend their money in surrounding towns that have more draw. These surrounding areas have better restaurants, nicer outdoor seating areas, and events that draw in large amounts of people.	7/17/2019 4:10 PM
98	Grow, Grow and Grow	7/17/2019 3:43 PM
99	Maintain small town atmosphere - think more tourists, not more residents:)	7/17/2019 12:01 PM
100	Self contained village where shopping and dining draws people to it	7/17/2019 11:25 AM
101	Make Franklin inviting to families and young professionals as the retiree population will be aging out in the next decade or two.	7/17/2019 5:48 AM
102	Keeping our youth here by creating jobs that pay enough to live in the community	7/17/2019 5:43 AM
103	More transportation options/paths that dont involve cars that fill the roads.	7/17/2019 5:00 AM
104	Get progressive, take some lessons from Jackson County.	7/16/2019 9:38 AM
105	I would love to see Franklin become a pro-active town that looks for ways to improve the business/economic climate rather than relying on the same business owners who have been here forever to lead development.	7/16/2019 7:37 AM
106	Become more of a destination and less of a pass through type town to areas such as Cherokee or Asheville	7/16/2019 7:25 AM
107	To see less poverty and drugs. To see people with jobs and homes.	7/16/2019 3:57 AM
108	Development of the properties along the River for tourism, entertainment and recreation.	7/15/2019 5:52 PM
109	Bigger and better. There is always room for improvement. Craft stores, big chain stores, electronics stores, better internet. You wont get more tourists in this "tourist town" without making improvements. Its 2019!	7/15/2019 5:51 PM
110	Extension of internet and cell service to rural areas	7/15/2019 5:38 PM
111	Development of the river district for businesses like restaurants, pubs, music venues	7/15/2019 1:55 PM
112	Let's move forward with the Indian mound and get people interested to come into town to see it	7/15/2019 12:35 PM
113	stop being something we are not and find a identity that preserves what we love about being part of this community. The best way to promote jobs is education. We do not want to big city. We want to be sustainable small town. we should be looking to promote more small businesses that can work in our area. examples agricultural technologies, outdoor industry, green technologies. between investing in technology (better high speed internet) and having a tech smart school system. We could attract new families and grow industry preserving what we love while offering a future to our children.	7/15/2019 12:34 PM
114	Clean up the west bank of the Little Tennessee commercial area	7/15/2019 11:57 AM
115	Connect people in town to the natural environment - we are already too "urban". Specifically, continue trying to rescue Crawford Branch, which, except for Franklin Memorial Park sends a very bad message (hidden or ugly, health hazard and awful aquatic habitat).	7/15/2019 11:49 AM

116	clean businesses with access to high speed internet, a vibrant downtown with murals depicting history. courthouse torn down and courthouse space used as public bathrooms and parking for downtown, two hour parking downtown, a better enforced noise ordinance and an enforced dog ordinance, sell the whitmire property, some kind of nice decor in the middle of roundabouts coming into town similar to Hilton Head roundabouts, a town dog park and picnic areas in the land owned by Duke power close to Wilkie St., move farmers market to old movie theater land, move pickin on square to old movie theater land, show movies at amphitheater at old movie theater, land. a county dog park located behind library on greenway. a county dog park located at parker meadows.	7/15/2019 11:42 AM
117	ZONE and PLAN. Allowing Wal-mart to build where it is was a really bad idea. It's smaller, unsightly with just red clay mud, old trailers and empty trucks haphazardly strewn around, and now traffic for the two largest schools in the county have to compete with Wal-Mart for traffic space. Terrible idea. I sometimes wonder if there was a sweetheart deal somewhere for that land. I hope there wasn't because it hurts our town and our schools. AND now we have TWO huge empty retail spots where most visitors drive through our town.	7/15/2019 11:40 AM
118	Lots of businesses just look run down. Heritage Hollow is a prime example. Or between Hot Spot and Highlands road. Its just dumpy looking. I believe we need businesses, restaurants, shopping etc along the river. A riverwalk could be beautiful for locals and draw tourists.	7/15/2019 11:35 AM
119	Growth and jobs other then fast foods	7/15/2019 7:57 AM
120	bringing in better mainstream restaurants better quality business and services. having a local government that is all inclusive when it comes to promotion.	7/15/2019 7:28 AM
121	To get some common sense people to run the town. Clean this town up and you will see people will react in a positive way. Things have gotten way outta hand and the local people better get involved to clean it up.	7/15/2019 7:17 AM
122	Make the town more accessible for larger retail stores and restaurants to anchor here	7/15/2019 3:19 AM
123	Growth. ... to ensure survival. I feel Franklin needs to focus more on pleasing the Tourists because that seems to be its biggest asset since not a college town or an industrial town. Embrace them and grow like silver or Waynesville or keep pushing them away and become a ghost town.	7/14/2019 3:09 PM
124	Keep small town community values while keeping infrastructure current. Allow private industry the freedom to flourish.	7/14/2019 12:24 PM
125	Keep the small town culture	7/14/2019 8:01 AM
126	Look to thriving towns like Highlands, Clayton, Waynesville for inspiration. Franklin is unappealing to the higher income vacationers and retirees who are needed to sustain our businesses. New or updated large higher-end homes (or possibly townhomes) are next to impossible to find. Run down and abandoned shopping centers make the area look and feel trashy (ie Indian mound area, Highlands Road, coming into town on Georgia Road). A well-done luxury development outside of town with high-end custom homes and townhomes, golf, swimming pool, tennis, etc would make the area appealing.	7/14/2019 6:21 AM
127	More cooperation. Sharing visions and moving forward. Utilizing available resources prior to seeking new ones, ETC. And feeling safe on the greenway would be nice too.	7/13/2019 7:03 AM
128	I think what is unique about Franklin is how close knit the community is, however if you strive to increase Franklin, and people knowing of it, make it more diverse for more people to come and enjoy the Town.	7/12/2019 12:26 PM
129	I love that we live in this beautiful, small town.. but, I would love for it to be special, with a more interesting down town or other area, where people would want to visit for good food, music, and fun. We are getting there, but still have a ways to go.	7/12/2019 11:50 AM
130	Having a local government that isn't steeped in corruption and self-serving, using their position to make land grabs, launch businesses, etc.	7/12/2019 11:15 AM
131	developing new business' along the Little tennessee river	7/12/2019 8:38 AM
132	Better restaurants such as Chik-fila, Longhorn, Moe's Burritos, and Olive Garden.	7/12/2019 7:54 AM
133	To see the town grown with more options for retail and work besides fast foods. We need to look towards the future and keeping people here and not so much on tourism. Coming from Florida where I've seen the struggle to get away from depending on tourism, we need to start finding other big businesses in area are. We are losing all the young people and to bigger cities for better job opportunities.	7/12/2019 7:48 AM

134	Covered pool owned by the town not by an individual business like FHFC.	7/12/2019 7:20 AM
135	Improve the appearance of buildings in East Franklin & West Franklin around the original Ingles store - need facelifts & cleanup.	7/12/2019 6:14 AM
136	Annual disc golf tournament that would bring in lots of outside money, visitors will need lodging, food, entertainment, and disc golfers are athletes with great skills and morals, as well as a very close knit community. There have been plans in the process for a new disc golf course, but we should really lean in and allow the franklin club to create a big top tier course that invites premier exposure in that segment.	7/12/2019 5:35 AM
137	Take down the ugly gazebo in the old fountain and change it to a multi-use parking lot during the day and special events at other times.	7/12/2019 4:55 AM
138	I feel if we could get better internet the business would flock here and young people would be more willing to move here.	7/12/2019 4:42 AM
139	A place large enough to accommodate Franklin High School graduation	7/12/2019 4:28 AM
140	grow and support with housing and town amenities aimed at younger residents so larger business will see us as attractive at any cost. I.E. outlet malls, larger restaurant chains, commercial, plant and production businesses, larger retail chains, medical systems,	7/12/2019 4:22 AM
141	To clean it up and make it appealing to the residents and tourist.	7/12/2019 4:21 AM
142	Would love a Publix and a Target	7/12/2019 3:54 AM
143	Similar to places like—Charleston. The downtown area is large/specific with parks, walkways, historical themed building codes; but as you move outside of that circle you have less restive guidelines in design. Of course our circle would be smaller, but the idea. I DO think the town WILL need to finically assist business to improve their structure if they fall within the circle area. The smaller businesses DO NOT have the resources to change over night without the money.	7/12/2019 3:44 AM
144	A riverwalk with nice shops and restaurants.	7/12/2019 3:41 AM
145	We continually have to travel out of Franklin for shopping. Waynesville for a good craft store, Asheville or Atlanta for clothes shopping/shoe shopping. We need more selections here.	7/12/2019 3:27 AM
146	Small town, local businesses	7/12/2019 2:18 AM
147	Parking garage with nice restroom facilities. The realism of providing a need hopefully inspires people to come closer to make/create business in town - if we are talking Town of Franklin. You can't force people to work, much less open a business. All you can do is try and entice them with a way to make a living and be more convenient for them to do that - IMO	7/11/2019 8:44 PM
148	To be as gorgeous as downtown Greenville one day	7/11/2019 7:56 PM
149	It isn't my idea, but I like Mr. Setser's proposal of a shopping and restaurant river district.	7/11/2019 7:16 PM
150	No visible power poles. Develop downtown to focus on the view from downtown. Rooftop dining and drinks. Build up backstreet with the same looks and feel as main street. Focus on natural building materials for the facades. (Stone, timber, etc.)	7/11/2019 6:56 PM
151	A more diverse downtown.	7/11/2019 6:22 PM
152	To continue to grow with businesses and entertainment for families to raise their children in this gorgeous setting	7/11/2019 3:20 PM
153	There is a ton of land in the area, Housing is too expensive for most people. With the amount of Landlords wanting to charge outrageously, The pay of most the jobs in franklin don't cover monthly expenses. Affordable house and things to do. Replace our skateway and bowling alley. Give us a drive in to go to. Franklin needs more to do has since I was a kid. If you need to raise town revenue, open training centers to train good managers and workers. You could easily become a sought after resource if you are teaching good hard and soft skills then networking jobs all over the us. We have the perfect testing base here in town and the facilities to accommodate.	7/11/2019 2:39 PM
154	Reliable infrastructure and basic services. Full time jobs for our children as they enter the workforce. Good education is great, they leave the area to find the jobs to go with the education they have obtained.	7/11/2019 1:58 PM
155	To move forward and not stay stuck in the same spot we have been. Also, still stay affordable when it comes to living expenses.	7/11/2019 1:56 PM

156	I want Franklin to be the town that young people want to live in as well as the older citizens.	7/11/2019 1:52 PM
157	Cleanliness in our downtown, and for the roundabouts to be maintained, in my opinion there needs to be a better solution than live foliage as it always looks awful... Better Restaurants and for there to be someone fighting to get us at least one higher end family retail store... We had a Bell store here for many, many years.	7/11/2019 1:26 PM
158	More jobs, more affordable housing, better internet	7/11/2019 1:22 PM
159	Sometimes we want something that we can't get in Franklin, like a Mall, or a hobby shop, but there's the internet, or traveling to a city for that. A couple of the local stores will order stuff for you if they don't have it. Or maybe someone will open a place, and do some business. Small towns are okay by me. A nice little quiet place for people to retire. Keep nature beautiful and all that.	7/11/2019 1:15 PM
160	To grow. To become the next Raleigh or Durham	7/11/2019 1:15 PM
161	to have internet and public transportation.	7/11/2019 1:06 PM
162	becoming a lot more like Sylva or Waynesville. Doesn't need to be as big as Asheville but we need some more restaurants and shopping. Bigger "chain" companies. Hobby Lobby, Belk, Cracker Barrel, Cheddars, Chick-fil-a, etc.	7/11/2019 12:54 PM
163	stay small, keep up the friendly environment, Franklin is a great place to live	7/11/2019 12:53 PM
164	Not to grow as town with history to a city with overcrowding and missing funds issue. expand and grow slowly but timely incorporating technical advancement.	7/11/2019 12:37 PM
165	Fill in the empty commercial spaces to bring more jobs (I personally would love to see a Dunkin' Donuts, a Chick-fil-a, and more retail shops aimed at a younger audience), expand housing options, fix and expand the roads so that not as much regular construction is necessary based on the amount of traffic, etc.	7/11/2019 12:23 PM
166	It would be so awesome to have a Hobby Lobby, Michaels or AC Moore craft store!	7/11/2019 12:20 PM
167	More family restaurants and businesses to keep visitors active	7/11/2019 12:19 PM
168	Many more younger business owners, at least one knock out restaurant that would be "fine dining" for the area, a Chick-Fil-A, higher paying jobs and more opportunities, and the ability to walk on a sidewalk on the side of the road without being in 5 ft of grass.	7/11/2019 12:18 PM
169	Create incentive for the industrial businesses on Depot to migrate to the existing (or a new) industrial zone and re-purpose the river front for commercial/residential use. Commercial/residential development at the old Franklin Motel site.	7/11/2019 12:15 PM
170	Focus on our strengths such as our natural beauty. Ban big ugly signs and the terrible lighting. Look at the roads around Atlanta. Particularly between Gainesville and Duluth GA. They have 4 lane roads with trees in the median and on the sides of the road. They have made it look really nice. Let's take our new turning circles and make them look nice. Dunedin, FL has done a nice job with their welcome signs. They make you feel like their town is special. They are a Scottish town like ours. We have no theme in our downtown which makes us look special. Some of the buildings are frankly ugly. If you want to attract more people let's make Franklin Beautiful	7/11/2019 12:08 PM
171	Attract businesses that will provide good jobs that will lead to an affluent fully employed population	7/11/2019 12:06 PM
172	Bring in more economy and visitors by bringing in more shopping centers and restaurants	7/11/2019 12:06 PM
173	I've always loved Franklin for how it really embodies the spirit of an "old fashioned town". It does a really good job of creating a sense of community. I just think that there is no harm in the least of upgrading what we currently have. We could definitely do with better internet, more jobs than part time work, and more entertainment for younger residents. This town is always really excited whenever they open the newest pharmacy or fast-food restaurant, but make absolutely no effort to plan anything for kids. We got a new park a couple of years back, but nothing in the years before that and nothing on the roadmap for the future.	7/11/2019 12:06 PM
174	To have a downtown environment that would promote people to enjoy the businesses that are there, entice new business. Outdoor patios where people are still providing business but enjoying the outside scenery we are so blessed to have.	7/11/2019 12:05 PM
175	The preservation of a small, mountain town, yet with the ability to compete with other small, mountain towns.	7/11/2019 12:03 PM
176	My vision for Franklin is to live in a town where I can own my own property and place where my children and their children can be safe.	7/11/2019 12:02 PM

177	A community that is welcoming and thriving in the arts, music and entertainment.	7/11/2019 11:56 AM
178	Chick-fil-A and an Aldi	7/11/2019 11:56 AM
179	Making it a stable town for families that can make a comfortable living without having to work multiple jobs or commute to surrounding areas to work.	7/11/2019 11:56 AM
180	I'd like for Franklin to always have that small, home town feel to it.	7/11/2019 11:55 AM
181	We have shopping centers that are empty, we can bring stores to the area to bring more revenue and jobs to people.	7/11/2019 11:54 AM
182	A town that stays small and preserves the beautiful nature around it.	7/11/2019 11:53 AM
183	A Renaissance of old shoppe owners equipped with modern resources at their disposal.	7/11/2019 11:51 AM
184	I think with the buildings we already have that are unused in the industrial park and if you could get Balsam West to put fiber out there a shared work space like HackerLab would be great. Not only would there be office spaces and shared areas for makers but it would add alot of training opportunity. Partner it with SCC and you could have a major regional tech/trade training hub. You would have high tech tech training like 3d printing and CNC but trade training in areas like welding and electrical. These could then blend into fields like electrical engineering, computer engineering, and so on.	7/11/2019 11:51 AM
185	Encouragement for economic growth, provide better and affordable housing to low income/single parent families	7/11/2019 11:51 AM
186	Better restaurants	7/11/2019 11:50 AM
187	More booze, beer, and restaurants people have actually heard of.	7/11/2019 11:50 AM
188	More big restaurants. I would love to see a Golden Corral.	7/11/2019 11:49 AM
189	More diverse employers offering	7/11/2019 11:48 AM
190	To grow with the times, but stay Franklin. Add to it, but keep the old, small-town feel.	7/11/2019 11:48 AM
191	clean up the appearances it looks old everywhere and more stuff for younger people to do more young people are moving here like I did and it seems the town is built for the older people and maybe hoodlums wouldnt stand around beside the roads at night if there was something for young people to do	7/11/2019 11:46 AM
192	Recruit a major hotel chain that has upscale rooms and conference facilities.	7/11/2019 11:34 AM
193	Mixed used residential / commercial properties in the downtown area. Expansion of businesses along the river.	7/11/2019 10:24 AM
194	More shopping choices, not just Walmart. New eateries like Chick Fil A, Dairy Queen, Dunkin, a real steakhouse, a seafood restaurant.	7/11/2019 9:38 AM
195	A beautiful, sensitive town which promotes sustainable development, our heritage, culture and conserved mountains, streams, rivers and farmland.	7/11/2019 9:16 AM
196	A multi-acre retirement village (with steps of assisted living, depending on what is needed) for mid to upscale retirees who have discretionary dollars to spend. Would also love to see an indoor recreational facility that included an indoor walking track, a covered pool, etc, that shows a town/county commitment to health and young families (especially if it utilized a current unoccupied building)	7/11/2019 8:59 AM
197	We need more good paying jobs with insurance. We also need more housing. (Not low income) We need better internet for the whole county, not just city limits.	7/11/2019 8:34 AM
198	Places/ things for teenagers to do. ie: bowling alley, skating rink, Internet service/cell phone reception in rural parts of Franklin.	7/11/2019 7:46 AM
199	A beautiful river district with parks, plaza, entertainment venues (small gathering sites), lots of greenery/trees, top-notch commercial development within easy walk.	7/11/2019 7:39 AM

200	In the future, the Bartram Trail could follow the Greenway from the fair grounds, through the rec park, and follow Cartoogechaye Creek through the new 12 acre tract that Mainspring purchased to link with the existing Greenway until it intereseected with Main Street. From here, the train would follow the sidewalk, passing the Nikwasi Mound (which is mentioned in Bartram's "Travels") and up town hill through downtown Franklin. The trail would then take a right up 28, following the sidewalk, and then cross 28 onto Windy Gap Road and then right on Co-Op Road to eventually connect to the old Trimont Ridge Trail. This trail is still in good shape - there are ~3 properties that would need to be secured for this vision to happen. Then Franklin would be "connected" to the USFS property via a hiking trail. Which would be really cool. Not many towns can boast of having a National Recreation Trail pass through their downtown areas.	7/11/2019 7:31 AM
201	Great shops and fun restaurants	7/11/2019 6:54 AM
202	NO IDEA	7/11/2019 6:18 AM
203	Improve downtown. Look at Hendersonville: it's pedestrian friendly, has plenty of parking and a thriving downtown, Franklin does not. Improving downtown will bring more people, more businesses and therefore more money to Franklin. Upgrade the internet services here. Everybody, and especially businesses, need good, reliable internet, we don't have that. Expand the Greenway to the Rec Park so kids can cycle there.	7/11/2019 4:37 AM
204	Redevelop practically the entire area between the police dept. building and Lazy Hiker with a mix of 2, 3 and 4 story buildings offering commercial, office, retail and apartments. The horse pasture there on Main St would be developed with smaller lot, single family homes.	7/11/2019 4:01 AM
205	Internet upgrade 10 miles or so from center Realistically, I would like the downtown scene in Franklin to be vibrant and exciting. We can support businesses downtown, but each business needs support from other businesses. And then there's the whole healthcare issues.	7/11/2019 3:35 AM
206	Allow a few more chain restaurants and bigger chain stores to keep some of our money in Franklin. Most of us drive elsewhere to shop and eat, and we don't all want to be stuck with only "mom & pop" choices. These places would still provide jobs locally and keep money in the town	7/11/2019 1:27 AM
207	A viewing tower in downtown with a 360° view.	7/10/2019 8:44 PM
208	That the town would continue to see economic growth and as such improve the quality of jobs available for residents.	7/10/2019 7:06 PM
209	Become a place that young people have a future	7/10/2019 6:57 PM
210	I would love to see Franklin continue to grow while holding onto its core values. We should continue to be an amazing family friendly town, while embracing the outdoors more and cleaning up our old and worn down buildings. More green, more beautiful, more family friendly!	7/10/2019 6:51 PM
211	Maintain the small town vibe and continue to revitalize the downtown/historical area	7/10/2019 6:25 PM
212	Help the current businesses grow rather than impose mandates that restrict them, or make it impossible to sell. Improve infrastructure and offer tax incentives to businesses to relocate to Franklin.	7/10/2019 4:10 PM
213	I don't know that this is a "big" idea. We travel a lot though, and what we love about traveling is unique dining options. I feel that's missing in Franklin. We also don't offer a lot of outdoor dining options which is a shame because we live in a beautiful area with a fantastic climate.	7/10/2019 3:52 PM
214	I'd always wanted to see a bypass somewhere around the movie theater behind the rec park, to the old Siler road and hit the now Walmart. But now the NEW Siler Rd is there (two lane, mind you.... whomever did that without being forward thinking of turning it in to a bypass... ugh). Incredibly unfortunate. From Ruby Cinemas to 441 will only get worse. Otherwise, I think you're doing awesome and love so much that you're asking for input. I am so excited about the roundabouts, I can't stand it. Directly impacts my life and where I travel 10 times a day. Womack street especially. THANK YOU THANK YOU. Always happy to share my comments :)	7/10/2019 2:30 PM
215	Improved business district with user friendly access.	7/10/2019 1:00 PM
216	Do not force tax payers to pay for nonprofits.	7/10/2019 12:32 PM
217	Independent Living housing	7/10/2019 12:15 PM
218	to be a destination	7/10/2019 11:58 AM
219	Keep the Whitmire property and create a green space park in which events can be held	7/10/2019 11:51 AM

220	More housing for any citizen or family. Not just low income housing. More sidewalks and development of bike lanes through town. There none as of right now. The enhancement of the Little Tennessee river area. That area should be a destination area with all the parks and shop in the close vacinty of the river.	7/10/2019 11:22 AM
